**THE STORY SO FAR**

Today's Open Day marks the end of a very busy period for everyone connected with FONCY. During the last season we have been collecting items for today's Memorabilia Auction. This event makes up a sizeable amount of our total income for the year and is, of course, very important.

Over the past 13 years, through your support, FONCY has raised a total approaching £350,000. FONCY and the amount you have raised are quite unique in football.

On behalf of everyone connected with FONCY thank you for your continued support.

John Landamore, Chairman.
