

FONCY Website Report 2008

Having launched in January 2003, this is the now remarkably the sixth report on the FONCY website.

Again we have generally continued with our tried and trusted formula, maintaining an informative and up-to-date website content.

John Landamore continues to supply high quality photos and reports, ably supported by Rob Maynard as our southern area correspondent.

Our average daily visits have stabilised at around 250 - 300 visits per day during the season. A great advert for FONCY and the Academy.

My thanks go to John and Rob for their input also of course to our website sponsors W.J. Hart & Sons.

Finally, living abroad, a highlight of the year for me is always the foreign tournaments where I am always warmly welcomed by the Norwich travelling squads as I report for the website. Many thanks to Ricky and Dean for their help here.

Having seen Declan Rudd, Sam Habergham and Tom Adeyemi in action in Berlin as long ago as 2004 and having followed Dario Domic's career through the tournaments since 2005, it is great to now see them playing week-in and week-out for the Under-18s and I would like to wish them all the best as they strive for a career in the game.

For 2008 I look forward to continuing this enjoyable hobby and the contact that it brings for a Norwich fan abroad.
